A GLIMPSE INTO THE WORLD OF NAVY LOGISTICS

PEARL HARBOR – One of the essential elements of maintaining the world's most formidable Navy is an unsurpassed supply and logistics team.

As the USS Abraham Lincoln and the ships of the Lincoln Strike Group arrive in Pearl Harbor, the men and women of Fleet Industrial Supply Center (FISC) are working overtime. In particular, the Fleet Mail Center currently has more than 50,000 pounds of mail ready for delivery – and that amount is growing daily.

Media representatives are invited to take an inside look into all the work going on behind the scenes. You will have the opportunity to see the Fleet Mail Center in action -- making all of the preparations to deliver a lot of packages and letters to the crew of the Lincoln.

Media representatives who would like to cover this event should contact Navy Region Hawaii Public Affairs Office, 473-2888 by 8 a.m. on 23 April. Media representatives will be met at the Nimitz Gate Visitors Pass Office parking lot at 9:45 a.m. for escort to the Fleet Mail Center.
